

**EAST COVENTRY TOWNSHIP
HISTORICAL COMMISSION**
August 11, 2004 Scheduled Meeting Minutes

Attendance: Scott Bowie (Chairman), Sharon Cossaboon (Vicechairman), Denise Bowie (Secretary), Members: Anne Keen, Mary Ann Keen, Gail Brown, Phyllis Snyder, Roy Kolb, Mary Brower

The meeting was called to order at 7:05 pm.

Old Business:

Minutes from the scheduled July 14, 2004 meeting were reviewed. Corrections were incorporated and the motion to approve the revises minutes was initiated by A. Keen and seconded by M. Brower.

Jane Davidson Historical Research Meeting

The Chairman had E-mailed and placed phone calls to J. Davidson to reschedule the continuation of the on-going property research training. No response had been received to date. This will remain an open item until Jane is able to establish a new date for meeting with the Historical Commission.

Property Deed Research

The scheduled August 12, 2004 trip to West Chester for deed research has been postponed to August 30, 2004 due to timing conflicts with most participants.

Calendars for 2005

Pictures taken by M. Brower and A. Keen were presented for review. Additional pictures are needed to complete the calendar. M. Brower/A. Keen will prepare captions for the selected pictures for the next meeting. Additional pictures will be taken by the chairman to be submitted at the next scheduled meeting. A discussion was held regarding several marketing options as well as a determination of the price of the calendars. It was decided to retain the \$6.00 price for 2005.

Frick's Lock

S. Bowie contacted PECO (L. Washak) to identify if any new restrictions to the lease in light of terrorist threats are being considered. No initial conflicts were identified however, the call was interrupted and follow-up will be scheduled before the next Historical Commission meeting.

New Business:

S. Bowie contacted the West Chester Historical Society to reactivate township membership. They will again allow the commission to join as an entity rather than charge each member individually. Research of their files, need to support deed research, could then be performed by all members under the single Historical Commission membership.

Miscellaneous:

Township resident Mrs. Helen A. Missimer donated a picture of on of the residences in Frick's Lock Village, which no longer exists, to the Historical Commission.

The meeting adjourned at 9:00 PM. The next meeting will be held on Wednesday, October 13, 2004 at 7:00 PM in the EC Township Building.
